MovieGames

Company Overview

WE ARE MOVIE GAMES

We are a global developer and publisher of PC, console and mobile games with 12 studios under our wing and internal porting capabilities. Five of our studios are publicly listed companies.

OUR DIRECTION

- We have achieved success producing and publishing single-A games with a budget under USD 400,000.
- We intend to expand into the AA market, with budgets between USD 1.3M to 2.6M.
- We are looking to accelerate our move into the AA space from expected 5 years to 1 year.
- At the same time, we will maintain our presence in the area of single-A independent titles.

OUR TEAM

We brought together the veterans of the gaming industry, including famous developers and experts in numerous fields.

WE HAVE A HOLISTIC APPROACH TO BUSINESS

- **Experience in gaming.** We onboarded legendary creators who shaped the industry over 20+ years.

- **Knowledge concerning the Polish stock market.** Mateusz Wcześniak, CEO, was one of Forbes' 30 Under 30 in Poland.

- **International partnership network.** We've partnered with developers, studios, and distribution platforms: from Steam to consoles to Heybox and Sonkwo.

- **Self-sufficiency.** Across our 12 companies, we are capable of PC, console and mobile development, porting, global publishing, and marketing

OUR ACHIEVEMENTS

CONSISTENTLY HIGH QUALITY OF OUR GAMES

Our three four latest releases hold a “Very Positive” User Steam Score, meaning more than 80% positive reviews upon launch and later. This has been achieved while maintaining the low budgets of our productions.

OUR ACHIEVEMENTS

TOP-TIER TALENT

Movie Games works with David Jaffe, the creator of God of War and Twisted Metal; Maciej Miąsik, the creator of the first The Witcher game; and with developers with experience in Techland, 11bit studios, or Anshar Studios. The co-creators of some of our studios are Robert Lewandowski, one of the most famous soccer players in the world, and Sokol, a Polish rapper with a big Eastern European fanbase.

SUCCESSFUL WISHLIST ACQUISITION

We are proficient in generating healthy wishlist numbers and use wishlisting statistics as a tool to evaluate the potential of our projects.

OUR ACHIEVEMENTS

GROWING MEDIA PRESENCE

In 2021 alone, we've been featured in such events as Future Games Show, E3 2021, Gamescom and Tokyo Game Show.

ASSUMING A VISIBLE POSITION IN THE AA SEGMENT

For our upcoming games we have created Image Games together with Platige Image, a world-renowned production and post-production studio realizing cinematics for Ubisoft, CDProjekt Red, Blizzard Activision and other leading publishers.
